TOTAL TIME: 30 MINUTES

## INGREDIENTS

150g chicken breast (2 pieces)  
Sea salt & cracked pepper  
40g all purpose flour  
1 tbsp olive oil  
60g butter  
2 tsp fresh thyme leaves  
1 garlic clove, minced

## INSTRUCTIONS

Start by cutting each chicken breast in half lengthways (to make the pieces thinner)

Season well with salt & cracked pepper.

Place flour in a bowl and dredge each chicken breast in the flour.

Add the olive oil and half the butter to a large skillet set over medium-high heat. Allow the butter to melt a little, then add the chicken and cook for 3 minutes per side, or until cooked through. Transfer chicken to a plate and cover with aluminum foil.

Add the remaining butter to the same skillet, and again, allow it to melt before adding the thyme leaves and garlic. After 2-3 minutes the butter should begin to brown and bubble a little.

Reduce the heat right down, add the chicken back to the skillet and just allow the chicken to heat through.

Transfer to two pallets and serve immediately.

# ROAST BEEF TENDERLOIN

SERVES: 6

TOTAL TIME: 60 MINUTES

GF DF

## INGREDIENTS

1kg beef tenderloin roast  
2 tbsp olive oil, divided  
2 cloves garlic, minced  
2 red bell peppers, halved  
2 yellow bell peppers, halved  
Coriander leaves

## INSTRUCTIONS

Allow beef to stand at room temperature for 1 hour before roasting. Set an oven rack in the middle position and preheat the oven to 200 /395 /Gas 6.

Take a separate large baking tray and line it with baking paper. Place bell peppers cut side down and place tray in the oven (under the tray reserved for the meat). Cook capsicums for 40-50 minutes or until the skin begins to char.

Season beef all over with sea salt and pepper. Heat oil, garlic and chermoula spice in an ovenproof skillet over medium-high heat. Cook beef for about 10 minutes, turning with tongs, until well browned on all but one side. Turn the tenderloin so that the un-seared side is down, and transfer the skillet directly to the preheated oven. (You can transfer to a greased pan if you don't have an ovenproof skillet). Roast until a thermometer inserted into the center of the meat registers 49°C-51°C for medium rare, about 15 minutes, or until done to your liking (54.5°C-57°C for medium). Remove meat, cover with aluminum foil and allow to rest for 10 minutes.

Slice meat and serve on a large tray with peppers and fresh coriander.
